

THE AUGUSTA EXCHANGE CLUB

GUIDELINES FOR UNRESTRICTED GRANTS

ABOUT THE AUGUSTA EXCHANGE CLUB

The Augusta Exchange Club received its charter on August 8, 1923. There were 34 young men who wanted to EXCHANGE ideas, service, and fellowship, as well as their free time for service to their community. In the words of Mr. William M. Lester, a charter member, "It is our purpose to accomplish something worthwhile for our city, our state, and our country...We want to help the boys and girls of Augusta, and the neglected child."

The Augusta Exchange Club began running what is now known as the Georgia Carolina State Fair in 1923. The Fair grew and moved to its current location in 1937. The object of The Fair was to raise money to be distributed back into the community. There were always so many worthy organizations, and so much need in the community. Going back to the very start, the members took the position that children came first. In keeping with the National Exchange Club's dominant project, The Prevention of Child Abuse, the club now contributes largely to organizations dedicated to this cause.

The Augusta Exchange Club's fund-raising efforts now include the CSRA Charity Golf Classic, and donations from its members. The Augusta Exchange Club awards grants based on identified community issues and the relative merit of the proposals received.

1. WHO IS ELEGIBLE TO APPLY FOR UNRESTRICTED GRANTS?

The Augusta Exchange Club's Donation Committee considers grant applications from organizations that:

- Are determined as Charitable under section 501(C)(3) of the Internal Revenue Code, public entities or other charitable, educational, or cultural organizations.
- Provide programs and services within the counties that comprise the CSRA.

2. WHAT CRITERIA SHOULD APPLICATIONS EMPHASIZE?

The Committee looks for proposals that:

- Will positively impact the lives of children.
- Develop competencies and skills enabling individuals to live fuller more productive lives.
- Promote systems or approaches which can prevent individual, family or community problems.
- Address a significant need affecting a broad segment of the area's population.
- Show specific outcomes that the funds will be used for (be specific)
- Show how the SPECIFIC outcomes will be measured and reported back to The Augusta Exchange Club.

3. CAN ORGANIZATIONS APPLY FOR CONTINUED FUNDING?

Normally, The Augusta Exchange Club chooses to distribute the limited funds among many organizations over time. When the Donation Committee receives grant requests for continued yearly funding, they will analyze that request against all of the other grant requests received; however, the intent is to spread the funds throughout the community and to those that the Donation Committee deems to be the most beneficial to the entire CSRA for that year.
